Administrative Professionals Week

The week of April 22-26 we will be celebrating our administrative staff, Mrs. Long, Mrs. Earl, Mrs. Uhles and Mrs. Jiminez. We would like to take this week to pay special tribute to each of these wonderful women and have planned some fun events throughout the week to recognize this amazing group! They are the key components in making our school run smoothly. Throughout the week the PTSA will honor them with breakfast, coffee and lunch. We would also like to ask students for their help! Tuesday, April 23 will be flower and cards day. Please have your student/s create a card thanking these amazing women for their hard work. You may also send in a flower to help create some wonderful bouquets. Vases will be in the front hallway. We'll be collecting flowers in the morning to make each of them a beautiful bouquet of flowers!

Funding Our Future

Our students deserve the best! PTSA's mission is to enhance the educational experience of every child at Fall City Elementary. Take a look at the great ways to help fund programming.

Norwex

This year we can help reduce the amount of harmful chemicals we have in our homes and our schools, reduce waste and help support Fall City Elementary School! Specializing in chemical-free cleaning and self-care products, Norwex sells items from all-purpose cleaners and laundry detergent, to bath towels and shower gel. Any purchase you make now until the end of May, through our fundraiser, will give 15% back to the school. In addition, every \$250 spent, a travel cloth will be donated to a classroom. This will help replace toxic chemical cleaners in our children's classrooms. Go to www.amberesquivel.norwex.com and be sure to click the arrow for the drop-down with "FCES Fundraiser" to ensure FCES gets credit!

Fred Meyer

If you shop at Fred Meyer and are part of their rewards program, you can link your card to their community rewards program and support our PTSA. Click **HERE**, log into your online account. Make sure you select Fall City Elementary PTSA with our member number **QC766** as your community organization and we can earn up to \$2,000 per year!

Spring Raffle Basket and Silent Auction

A **HUGE** thank you goes out to Heather Lee and Marie Riley for all their hard work and time spent on the Spring Raffle Basket and Silent Auction event! These two have done an amazing job once again to make this event a huge success! Another thank you to Julie Chung for organizing the family dinner and making sure everyone was fed and left with full tummies! We would also like to thank Danielle Bothwell, Stephanie Corell, Jacqui Wilkins and Alexis Wenstrup for all your help during the week and the entire evening of the event! And last, but definitely not least, thank you to all of our amazing basket raffle coordinators for organizing the most amazing baskets, all of the volunteers who helped out throughout the event and to all of the school staff for donating experiences and supporting the PTSA!

A preliminary count shows we've made over \$23,000 and more money is still coming in from silent auction items! Take heart in knowing that the money we raise tonight will have a direct impact upon the overall education of our children. Money raised from tonight's event will be placed into a student enrichment fund to be used in the upcoming year for a variety of purposes. Your children will benefit activities such as further playground improvements, reflections art contest, science fair, and the spelling bee. PTSA gives a \$250 grant to all classroom teachers, additional grants for assemblies, music, art, design lab, PE and the library. Our budget also funds the Literacy for Life grant, Reading Hall of Fame, and Reading Buddies. It is through the generosity of the FCES community and business in the greater Seattle area that we will positively impact the lives and education of our kids, our future.
